> **ℹ Draft Posts**
>
> This page contains work-in-progress articles that are not yet published on the main blog. Posts marked with `draft: true` in their YAML frontmatter will appear here instead of the main blog listing.

Posts marked as drafts are excluded from: - Main blog listing - RSS feeds
- Site search indexing - External link sharing

To publish a draft, simply remove the `draft: true` line from the post's YAML frontmatter.
